This sounds like what Mike E. was working on yesterday. I suggest you check in with him.--Vicky

Karen,

As I understand it we've routinely worked with the states on complaints like these. Can you summarize the process for Bern?

Angela and Samantha --

This relates to contamination in Dimock. The complainant is saying that her water well is contaminated and that Cabot has not followed through on its commitment to provide alternate water.

What are the Region's next steps here?
